City Seeks Donations for Summer Camp Fund

Each year the City of Gaithersburg receives hundreds of applications from needy families who would like for their children to enjoy the energizing, educational and challenging experiences offered by the City of Gaithersburg's Summer Camps.

Donations are now being sought for the Dolores C. Swoyer Camp Scholarship Fund.

Named in loving memory of the daughter of former Planning Commissioner and citizen activist Dolores Swoyer, the fund provides full and partial financial assistance to qualifying families. For the summer of 2013, 105 scholarships were approved and the number of applications is expected to increase for the 2014 camp year. Financial assistance is available to residents who live within the corporate boundaries of the City of Gaithersburg.

Help a child have a fulfilling summer by making a contribution today.

Make check payable to the City of Gaithersburg and mail to:
